## “TESTIMONIALS”

### OLQE 2011 - Live Lecture

Enthusiastic and entertaining, Michael is a great lecturer whose well-organized and comprehensive notes and exam taking tips made it achievable to pass the Conveyancing exam. The LexOmnibus OLQE Team was very supportive and dedicated during -and after- the entire 2011 OLQE preparatory course. Thank you all!

**Xavier Amadei, Solicitor at an international law firm**

### OLQE 2011 - Live Lecture

Thorough and well organised noted notes and a well prepared, expert and somewhat entertaining lecturer in Michael Wilkinson allowed me to enter the exam with a level of confidence I otherwise would not have had. Having the flexibility to view lectures online when my schedule did not permit me to attend in person was very helpful.

**Ilan Freiman**

### OLQE 2011 - Live Lecture

I would like to say that the Head I preparatory course was very well run and extremely effective. Michael Wilkinson is a legend. He explains things very well and is able to translate complex legal issues into simple examples with plain language. A big thank you from me.

**B Guan, Hogan Lovells**

### OLQE 2011 - Live Lecture

Words cannot express my gratitude to Lexomnibus for providing such a well organised and informative course. Without attending the course, it would be impossible for me to pass the OLQE at first attempt( I had to do Head I and III) as I had to juggle between full time IPO work, OLQE as well as looking after my 2 years old son.

Special thanks to Michael who has managed to make conveyancing a "sexy" subject and Robert for his effort in trying to squeeze such a wide subject into a short period of time. Also thanks to Lexomnibus for allowing me to attend relevant CPD courses for free! The course has provided not only a way to pass the OLQE but has also broaden my legal knowledge. Thank you!

**Olivia Kung**

### OLQE 2011 - Self-Study

Lexomnibus were very helpful from the start of enrolling for the exams to following up on post-exam matters. The notes provided were invaluable and presented in a flexible and informative manner. Clearly made the whole experience alot easier.

**Alex Lee, Associate Director, ANZ**

### OLQE 2010 - Live Lecture

I sat all four heads of OLQE in 2010 and passed them in the first attempt. I would like to thank LexOmnibus, which made it achievable to prepare for four exams while working full time. The courses were very well organized with dedicated tutors and sufficient (but not overwhelming) reference materials.

My special thanks to Caroline, Ellen and Alex - thank you very much for helping and accompanying us through the "schooling" evenings and exam panics. OLQE is a challenging test that no body wants to take it twice, but you have made it a memorable and rewarding experience for many of us!

**Maggie Dou, Associate, Allen & Overy**

### OLQE 2010 - Self-Study

Lexomnibus has done a wonderful job in bringing together a group of presenters who can teach the course in a comprehensive way without burdening the student with too much materials! The tutors are engaging and excellent, and the staff are helpful!

**Andrew C.**

### OLQE 2010 - Self-Study

I was a Distance Learning student for Head I and I found the LexOmnibus materials invaluable study tools. The Q&A sessions just before the exam were also very helpful. Thank you LexOmnibus!

**Jae Lemin, Associate, Latham & Watkins Hong Kong**

### OLQE 2010 - Live Lecture

I can't imagine not taking the course from LexOmnibus where I get the necessary guidance to prepare for the OLQE Head IV exam. You would not be surprised that they are concerned about you and dedicated for the very same thing I have in mind for joining the course - passing the exam and I passed.

**J. Yu**

### OLQE 2010 - Live Lecture

I sat all four heads of OLQE in 2009 and with the assistance of LexOmnibus preparatory materials, I passed on the first attempt!

Yeah!! Strongly recommended to those who are considering of sitting these difficult exams this year.

**Placida Lam**

### OLQE 2009 - Self-Study

The OLQE is well-known for its difficulty - it is a challenge to pass any head of the OLQE (let alone all four heads). And that's already assuming that you are able to commit to full-time study of the materials required to pass the exams - the difficulty is compounded if you are required to balance a full-time job as well. LexOmnibus' OLQE preparatory course was indispensable in helping me to prepare for the exams. The course materials were helpful and the lecturers made it all much easier to understand. I was able to sit and pass all four heads in one sitting.

**Bernard Luk, Solicitor at an international law firm**
