 LIVE LECTURE

OLQE 2013

Being an overseas candidate sitting for the OLQE exams, and not having the benefit of being based in HK to attend lectures/classes in person, Lex Omnibus' online video course was invaluable in helping and allowing me to learn and understand the key concepts and rules on the exam subjects remotely, and ultimately in ensuring that I passed the exams. The staff from Lex Omnibus is efficient and helpful in answering queries and providing materials and support. More importantly, in Michael Wilkinson, Lex Omnibus has in my view, one of (if not) the best tutor whom is not only knowledgeable, but also a master at explaining difficult and complex concepts simply and succinctly. Michael's lectures are easy to understand and he has remarkable skill and technique in teaching candidates how to approach and handle exam questions. Michael and Lex Omnibus were critical in my preparation for, and eventual success in passing, the OLQE exams. It has been a pleasure taking the Lex Omnibus course and learning from Michael. I will certainly recommend Lex Omnibus and Michael to everyone and anyone planning to take the OLQE exams!

 SELF-STUDY

OLQE 2013

Professor Wilkinson has an extraordinary talent for making an otherwise dull subject both engaging and memorable. The course is absolutely first rate, and their historical success rate reflects that. Any practitioner wishing to sit the OLQE should be strongly advised to sign up for the Lex Omnibus course. The course is extremely well managed; the lecture handouts are well laid out and comprehensive, and the ability to watch and re-watch lectures on the internet is invaluable to practitioners who travel a great deal.

Thanks to Lex Omnibus for helping me pass the Head I Conveyancing Exam 2013. Professor Wilkinson was pivotal in making Saturday classes a little less painful to attend. His course notes are really all you need to pass. He makes an otherwise dreary topic seem fun and interesting!

 LIVE LECTURE

OLQE 2013

I am happy to say that I was impressed with the classes which Mike ran for Head I conveyancing, and I think that his knowledge and familiarity with the content and style of the exam as well as the law was invaluable- especially for spotting loopholes, and trick questions! The materials provided also gave a really good basis for revision, and were very helpful in the exam too. LexOmnibus were also helpful in terms of administration, and setting up online access for me as and when I needed it. Thanks to all. I am very relieved to have passed.

I just wanted to say thanks for the helpful notes for Head I and also the excellent lectures provided by Prof. Wilkinson.

I did not have time to attend classes in person, and therefore did not have the pleasure of meeting Prof. Wilkinson in person. His detailed lecture notes (textbook included) and thoughtful (and humorous) recorded lectures were a tremendous help to me.

I signed up for the Lexomnibus course because of Micheal Wilkinson's reputation as the best conveyancing teacher around.
