TESTIMONIALS

OLQE 2014

LIVE LECTURE

Interesting lectures, comprehensive notes, practical tips, flexibility of attending lectures or watching online and the support provided by the team at LexOmnibus make the LexOmnibus courses an essential part of passing the OLQE. Michael Wilkinson is the only person in Hong Kong worth listening to when it comes to OLQE conveyancing not only for his knowledge but for his ability to keep everyone engaged.

OLQE 2014

SELF-STUDY

A big thank you to LexOmnibus for their assistance in helping me to pass all four heads on the first attempt! The clear course materials along with knowledgeable lecturers were vital in getting me up to speed on the exam syllabus. In particular, I would like to say a special thank you to Michal Wilkinson who made the unbearably complicated subject of Conveyancing somewhat palatable!!

OLQE 2014

I managed to pass all four heads on the first attempt, while simultaneously working very long hours. There is no way I could have done that without the help of LexOmnibus-the courses are very focused, the speakers are very engaging and everyone is very helpful.

LIVE LECTURE

Michael is not only extremely knowledgeable, but approachable and showed genuine concern for the candidates. His lectures were well paced and thorough.

Alfred's lectures were engaging despite an extremely broad subject matter. His detailed understanding of the litigation process and relevant rules was impressive and he was always willing to help.

OLQE 2013

LIVE LECTURE

I am happy to say that I was impressed with the classes which Mike ran for Head I conveyancing, and I think that his knowledge and familiarity with the content and style of the exam as well as the law was invaluable-especially for spotting loopholes, and trick questions! The materials provided also gave a really good basis for revision, and were very helpful in the exam too. LexOmnibus were also helpful in terms of administration, and setting up online access for me as and when I needed it. Thanks to all. I am very relieved to have passed.

OLQE 2013

LIVE LECTURE

Being an overseas candidate sitting for the OLQE exams, and not having the benefit of being based in HK to attend lectures/classes in person, Lex Omnibus' online video course was invaluable in helping and allowing me to learn and understand the key concepts and rules on the exam subjects remotely, and ultimately in ensuring that I passed the exams. The staff from Lex Omnibus is efficient and helpful in answering queries and providing materials and support. More importantly, in Michael Wilkinson, Lex Omnibus has in my view, one of (if not) the best tutor whom is not only knowledgeable, but also a master at explaining difficult and complex concepts simply and succinctly. Michael's lectures are easy to understand and he has remarkable skill and technique in teaching candidates how to approach and handle exam questions. Michael and Lex Omnibus were critical in my preparation for, and eventual success in passing, the OLQE exams. It has been a pleasure taking the Lex Omnibus course and learning from Michael. I will certainly recommend Lex Omnibus and Michael to everyone and anyone planning to take the OLQE exams!
